

Product Name 204290 - SUPRASEC 5005

Cust Prod No

For Attention Of

Test Details

Parameter	Unit	Results	Method
Batch Number	GE015444		
Production Date	28.02.2014		
Quantity	1.000 DR		
Total Acidity as HCL	ppm	94	
Viscosity at 25°C	cps	190	
Iron content	ppm	2	
NCO value	%	31.0	

Notes

1. The material(s) detailed above conform to Huntsman specification.
2. The data on this certificate were produced under a quality management system registered as a minimum to ISO 9001 and confirmed by the Quality Assurance Manager.
3. This certificate complies as a minimum with the requirements of EN 10204 type 2.2.
4. Test results are verified by a QA/QC department independent from production.
5. This document was created by an integrated electronic information system, and consequently may not be signed.
6. Nothing herein is to be construed as a guarantee or warranty, express or otherwise. In all cases, it is the responsibility of the user to determine the applicability of such information, to carry out its own inspections and to determine the suitability of any product for its own particular purpose.
7. The General Conditions of Sale and Delivery of Huntsman International (India) Private Ltd. shall apply.

The material(s) detailed above conforms to Huntsman Polyurethanes Specification. This document is generated by System thus no signature is required.

Date of Issue : 26.08.2014
